## Territorial Acknowledgement

“We respectfully acknowledge that Trent University is situated on the treaty and traditional territory of the Mississauga Anishinaabeg. We offer our gratitude to the First Peoples for their care for, and teachings about, our earth and our relations. May we honour those teachings.”

---

## Consulting Team

**North-South Environmental Inc.** (Natural Heritage Inventory and Assessment, Resource Planning)

**SvN Architects + Planners Inc.** (Land Use Planning and Community Design)

**Nbisiing Consulting Inc.** (Indigenous Relations and Community Engagement)

---

## Contributors

We appreciate all those who gave so generously their time, energy and insight to make the gathering of background data and information for the Trent Lands and Nature Areas Plan (TLNAP) possible.

Key contributors include:

- Michi Saagiig Elders and Traditional Knowledge Keepers Council, and Land Consultation Liaisons
- First Peoples House of Learning
- Trent University faculty, staff and students who assisted with natural heritage field studies, participated in engagement sessions and provided advice on the project
- Community members, the City of Peterborough and the Otonabee Region Conservation Authority (ORCA) who participated in engagement sessions and the Environment and Planning Tables
- The Trent University Trent Lands and Natures Areas Plan Project Coordination Team
- Phase 1 Consultant Team:
  - Golder Associates
  - Schollen & Company Inc.
  - Lura Consulting

Additionally, Trent University committees which provided oversight and advice for the project include:

**Trent Lands Committee**

**Facilities and Grounds Committee**

**Nature Areas Stewardship Advisory Committee**

**Endowment Lands Committee**

**Board of Governors**
